Director  
Central Intelligence Agency  
Washington 25, D. C.

Dear Mr. Director:

I have your letter of May 15, 1959, which deals with the highway network serving your Langley site.

In your letter you request that the Department of Commerce coordinate the establishment of a time schedule for the completion of the highway projects in the vicinity of your site and that of the Chantilly Airport.

I would like a little time to go over this situation with Mr. Tallamy, Federal Highway Administrator, before I reply in detail to your letter.

Sincerely yours,

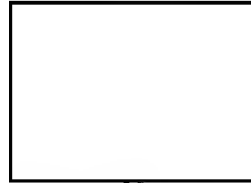

Secretary of Commerce
